Galvanized Barbed Fence Wire. Send for prices. W. W. Woodruff & Co.

A perigrinating band of Italian musicians, with two harps and two violins, have been doing the town for a day or two. They furnish excellent music.

Messrs Hope & Bro. were engaged yesterday removing their stock of jewelry, etc., to their new and elegantly fitted up stand, the old Knoxville bank room, under the Y. M. C. A. rooms.

Nellie Brew obtained a verdict in the circuit court at Nashville last week for \$7,000 damages against the N. C. & St. L. railroad company for an accident which caused her the loss of one hand and arm.

Circular Saws and Gum Belting, all sizes, at factory prices, at W. W. Woodruff & Co.'s.

According to the Times, a Garfield and Arthur club has been organized at Morristown, with Capt. E. A. Tate president, H. M. Sherwood vice-president, T. T. Carson secretary and treasurer, and F. Bashor elector.

Mr. Beaman, president and manager of the street car line, contemplates the purchase of an additional car soon, as we understand. On circus and such like days an increase in rolling stock is badly needed. It is intended to extend the lines of the railroad on new routes next spring.

The democrats have postponed the date of their great barbecue from October 6th to Oct. 27th, just two days before the grand final rally by the republicans in Knoxville. One of the papers still publishes that the barbecue will be held on Fort Saunders, the other has it changed to Dameron hill, near the northern terminus of the street railway.

Chattanooga Times: The case of T. T. McWhorter vs. the W. & A. Railroad Company, for damages sustained by being knocked from his wagon on the W. & A. crossing by a W. & A. engine several months since, is now on trial at Ooltewah, the defendants having prayed for a change of venue, on the ground of the existing prejudice in this city against the W. & A. crossing. Mr. McWhorter's leg was broken by the fall. He is suing for \$20,000 damages.

A young lady has a Sunday school class of rather bright boys, averaging between seven and nine years. Recently she requested each pupil to come on the following Sunday with some passages of Scripture bearing upon love. The lads heeded the request, and in turn recited their verses bearing upon that popular topic, such as "Love your enemies," "Little children, love one another," etc. The teacher said to the boy who turned came last, "Well, Robbie, what is your verse?" Rising, he responded, "Songs of Solomon, second chapter, fifth verse—'Stay me with figones, comfort me with apples; for I am sick of love.'"

Our neighbor, the Dispatch, cannot understand how it is that the Chattanooga Times can speak so respectfully of Hon. W. P. Gillemwater, one of the ablest republican speakers of East Tennessee, and his speeches, and accuses it (The Times) of "rank irony" in the matter, calling on his Bro. McGowan to rise and explain. Brother McGowan ought to bear in mind that all democratic papers are not exactly similar to those published in Knoxville. A republican speaker here, be he whom he may, never receives anything but vilification, abuse, and misrepresentation at the hands of our democratic contemporaries. That's the line on which they meet the arguments.

Hon. J. M. Thornburgh reached home, Monday night, from a stay of a few months on the wilds and plains of the far west. His many friends will be glad to know that his trip has been quite beneficial, indeed, and he is looking better, stouter and more vigorous than for years.

Hon. W. P. Gillemwater, of Rogersville, republican elector for the first district, came up, Monday night, from Chattanooga. He spoke there Saturday night on the political issues, and again Monday, by special request, on the state debt question, on which he is more thoroughly posted, perhaps, than any man in the state.

Misses Anna and Emma, daughters of Judge Robt. McFarland, who have been visiting in the city, returned to Morristown on yesterday evening's train. Miss Katie Lea, daughter of Judge B. J. Lea, accompanied them on a visit.

Capt. E. N. Griffith, our genial and amiable friend, of Jonesboro, came to the city on yesterday's train.

Mr. Robt. D. Van Dyke, of Athens, a former popular student at the University of Tennessee, came up yesterday evening and will be in the city for a few days.

Mr. E. A. Stuart, a popular young clerk in the pension office, went up yesterday evening to Jonesboro, his home, to take in the fair this week.

Dr. C. L. Mitchell, Forte Meade, Fla., on May 28th, 1877, wrote: "I thank you would confer a blessing on the people in this country by establishing an agency here for the sale of Tutin's Pills. Having tested them, I know their superiority, and want to see them used instead of the worthless compounds that are sold in this country."

Nashville Banner: There has been quite an increase in the membership of the Ancient Order of United Workmen in this state during the last thirty days. Fifty new beneficiary certificates have been issued during that time, and seventy-five re-instatements reported. This places the membership in Tennessee at 2,168.

We understand that two new lodges will soon be instituted, one at Ripley, the other at Germantown, with a charter membership at each place of twenty or thirty. This will give over 2,200 members in Tennessee, with every indication of a still further increase this fall, as Deputy Grand Master George Rudisill is working up good lodges very rapidly.

No TIME TO BE LOST.—In the incipient stages of consumption, the first symptoms are generally a hacking cough, pains in the chest, difficulty of breathing or oppression of the lungs. Something should be done at once to check the cough, allay and heal the irritated parts. ALLEN'S LUNG BALM will break up the cough in an incredible short time; also prevent the formation of tubercles. Where tubercles are once formed, the disease is hard to cure.

Two Veritable Chinese in Town.

Knoxville can now certainly lay claim to the appellation of a city in fact and indeed. We have within our borders two veritable Chinese, in the person of C. P. Canton and C. Jack, who arrived here from Columbus, Ohio, Sunday night. They come with a view of establishing a laundry, and are looking out for a suitable location. They have been in America about ten years, and are very genteel and intelligent looking young men. Mr. Canton speaks very good broken english, the other we did not hear talk. They dress in blue nankeen, made after the loose fashion, wearing hats similar to ours. One of them has the chinese shoe. The queue is not to be seen but otherwise they have the "celestial" appearance. They attracted considerable attention as they walked the streets yesterday.

It will well repay you to call to day at Young & Dyer's grand Millinery Opening.

Sells Brothers' All-Overshadowing Show.

The determination to visit this grandest and most admirable railroad menagerie and circus, at Knoxville, on Friday, October 1st, is evidently so wide-spread and universal that little need be now editorially added to insure the concentration of an overwhelming multitude in its colossal, electric-lighted tents. Besides its evident overshadowing vastness, the millionaire magnitude of its menagerie and the gigantic proportions of its circus, everybody is talking about the \$200,000 herd of elephants; the great and only James Robinson; the savage band of Ute chiefs and braves; the only full-grown pair of living hippopotami; the monster Arctic aquarium of sea lions; the wonderful drove of six performing Colorado cattle; the tremendous two-horned rhinoceros; Willis Cobb's miniature circus; King Barbro's miraculous Japanese circus, and the other distinctive and unique attractions of the millionaires confederation. The fact that no lemonade, candy, peanut or other peddlers are permitted within the show, and that it has an established reputation for protecting its patrons from swindlers, of all sorts, has also created a most favorable impression, the fruits of which will be a golden harvest for the Messrs. Sells.

TRADE PALACE INVITATION.

The ladies of Knoxville and East Tennessee are most cordially invited to be Present at our Millinery Opening on Wednesday and Thursday, September 29th and 30th.

The Saul-Carpenter Damage Suit.

The famous Saul-Carpenter damage suit was brought to an end in the U. S. circuit court, before Judge Key yesterday. Most of our readers are no doubt somewhat familiar with the fact that the store and contents of S. L. Saul, Jr., were burned in London, in December, 1878, and that he was arrested at the instigation of the Knoxville Fire Insurance company, in which he held a policy, charged with burning the store. After a prolonged trial before Justice King in this city, the defendant was discharged.

Mr. Saul afterwards brought suit against Mr. D. A. Carpenter, president of the company, F. M. Felix and W. B. Fountain, of London, and the company, for damages to character, laying the amount at \$25,000. The case was removed by the defendants to the United States circuit court, and on coming up for a hearing yesterday it was decided by Judge Key that the case was not made out, the suit was dismissed and defendants discharged. Saul, through his counsel, prayed an appeal to the United States supreme court.

SYMPTOMS.—Slight pain in the side, the skin and eyes assume a thick yellow coat, digestion is impaired, an unpleasant sinking sensation at the pit of the stomach is experienced, the bowels are irregular, the mind fretful, the memory weakened, sometimes a slight cough, coldness of the hands and feet, sometimes loss of appetite and at others unnatural craving for food, dizziness of the head, blurring before the eyes, depressed spirits, feeling of uncertainty, of having left something undone but can't tell what it is. Take Simmons Liver Regulator; it will remove all these feelings and make you well.

SAVED FROM THE GRAVE.—"You will please let it be known to the world that your Regulator has saved me from the grave. I have suffered for many years with indigestion and Liver Complaint, and took everything that was recommended to me without any relief, until I tried Simmons Liver Regulator; it has cured me entirely. Recommend it to the human race."

The T. I. phone Exchange.

Mr. J. C. Duncan, manager of the Western Union telegraph office, in this city, and also of the East Tennessee Telephone exchange, received yesterday a large supply of machinery, which will be put up at the different points, and the exchange will go into operation shortly. The wires are now being connected to different points over the city.

Albert G. Mann, of Cottage Home, Ill., says: "I have been prostrated for three or more years with Kidney disease; at times I was not able to put on my boots, my wife has often pulled them on for me. I was not so bad as that all the time, but I never knew what it was to be without pain in my back until I commenced using HUNT'S REMEDY. Since I commenced to take HUNT'S REMEDY I have been free from all pain, and take pleasure in saying that it is the best medicine that I ever knew for kidney and liver diseases."

Another Railroad Accident.

An accident occurred at Strawberry Plains Monday evening to the freight train bound for this city, of which there were three sections. The hindermost section, by some mishap, ran into the others, causing considerable damage to the engine, No. 42, which had to go in for repairs, also smashing up and injuring more or less several of the freight cars. Fortunately none of the train men were hurt.

The mixed train from Bristol, due here at 12 o'clock yesterday, was three hours late, the delay being caused at Union Depot, where a new iron bridge is being erected.
